

PERSONAL INFORMATION

- **Name** Esraa Mohamed Mossalam
- **Date of Birth** July 30, 1990
- **Place of Birth** El-Monofiya, Egypt
- **Citizenship** Egyptian
- **Marital Status** Engaged
- **Phone** Mobile: +20-106-780288  
Home: +20-482-195203  
Work: +20-403-335466
- **Email** [esraa.mosalam@pharm.tanta.edu.eg](mailto:esraa.mosalam@pharm.tanta.edu.eg)  
[esraa\\_171@yahoo.com](mailto:esraa_171@yahoo.com)
- **Current Position** Instructor at Biochemistry Department, Faculty of Pharmacy, University of Tanta
- **Current Work Addresses** Faculty of Pharmacy, University of Tanta, El-Guish St., El-Gharbeya, Egypt

EDUCATION:

- **High School**  
27<sup>th</sup> Sec. School, Medinah, KSA 9\2006- 6\2008
- **B.Sc., Pharmaceutical Science with general grade Excellent (Honor)**  
Faculty of Pharmacy, University of Tanta 9\2009- 5\2013
- **Pre-Master degree in Biochemistry with GPA of 3.33**  
Faculty of Pharmacy, University of Tanta 9\2013- 7\2014

Academic Position

- **Research Instructor** 11\2013 ~ Present  
Biochemistry Department, Faculty of Pharmacy, University of Tanta

Teaching Experience: Seminars

- **Planning and Marketing of Medicine** 4\2013
- **Bioequivalence Study** 12\2013  
Post-graduate students (pre-Master of Biochemistry), at Faculty of Pharmacy, University of Tanta, Egypt
- **Advanced Clinical Biochemistry** 2014  
Post-graduate students (pre-Master of Biochemistry), at Faculty of Pharmacy, University of Tanta, Egypt
- **Forensic Chemistry and Bioanalysis** 2014  
Post-graduate students (pre-Master of Biochemistry), at Faculty of Pharmacy, University of Tanta, Egypt
- **Physiology and Hematology** 2014  
Post-graduate students (pre-Master of Biochemistry), at Faculty of Pharmacy, University of Tanta, Egypt
- **Special Seminar under the title of (Food Additive)** 2014

**Teaching Experience: Tutorials**

- **Biochemistry** 11\2013~ Present  
Undergraduate students (second and third level), at Faculty of Pharmacy, University of Tanta.

**Teaching Experience: Laboratory**

- **Biology** 11\2013~ Present  
Undergraduate students (pre-Pharmacy level), at Faculty of Pharmacy, University of Tanta.
- **Biochemistry** 11\2013~ Present  
Undergraduate students (second level), at Faculty of Pharmacy, University of Tanta.
- **Clinical Biochemistry** 11\2013~ Present  
Undergraduate students (third level), at Faculty of Pharmacy, University of Tanta.

**Technical Expertise**

- Good user to Spectrophotometer, Colorimeter, centrifuge.
- ELISA, ELISA spot.
- I.P, S.C injection of experimental animal model.
- Performing the biochemical and hematological assay in vitro.
- Reagent preparation related to biochemical and hematological assay

**Training courses**

- **Community pharmacy practice**  
At Al-Masreya Pharmacy, Shebin Alkom, El-Monofiya Summer 2012  
At Al-Araby Pharmacy, Shebin Alkom, El-Monofiya Summer 2013
- **Industrial Pharmacy Practice**  
At Sigma for Pharmaceutical Industries, Qowesna, Egypt Summer 2012
- **Human resources development (Power of Thinking)**  
At Charles Hamilton Academy, Cairo, Egypt Summer 2012
- **Ethics of scientific research and writing**  
At Faculty of Pharmacy, University of Tanta 2014
- **Computer science**  
At the Central Library, University of Tanta 2014
- **ColWri2.2x: English Grammar and Essay Writing**  
An online learning initiative of University of California, Berkeley through edX with HONOR CODE CERTIFICATE issued on 12\3\2015

**Seminars**

- **Stem cells: Gate for internationalization**  
At faculty of Medicine, University of Tanta 23/11/2014
- **Technical seminar: Clinical Application of MALDI-TOF in Proteomics & Tissue Imaging**  
At Centre of Excellence in Cancer Research, Tanta University Educational Hospital  
On 11\3\2015

**Conferences**

- **29<sup>th</sup> Annual Congress First International (Multidisciplinary Medicine Era)**  
At faculty of Medicine, University of Tanta 17-20\2014
- **9<sup>th</sup> Conference for Liver and Digestive Tract Diseases**  
At faculty of Medicine, University of Tanta 1, 2\10\2014

#### Workshops

- **Technical and Practical Applications of Molecular Biology and Radioisotops in the Medical Field**  
At Middle Eastern Regional Radioisotops Centre for the Arabs Countries (MERRCAC) 7-11\9\2014
- **Nanostructure Materials & Applications**  
At Medical Technology Centre for Research and Services, Medical Research Institute, University of Alexandria 24-26\2\2015
- **Google Scholar**  
At Faculty of Pharmacy, University of Tanta 2014

#### Language Skills

- **Arabic:** Native
- **English:** Fluent in reading, writing and speaking

#### Other Activities

- Participant in Quality Assurance Unit (QAU) of Faculty of Pharmacy, University of Tanta
- Supervisor for undergraduate students' journey to GlaxoSmithKline (GSK) in Cairo, Egypt.

#### Hobbies and Interest

- Reading books and stories
- Poetry
- Award for the short story at preparatory school
- Award for the ideal student at the preparatory school
