Education:

1) 5/2011: PhD in Pharmaceutical sciences (Biochemistry) from Tanta University, Tanta, Egypt. The thesis was entitled "A biochemical study on the effect of some treatments on bone resorption and formation in osteoporotic rats. "

2) 12/2005: Master in Pharmaceutical sciences (Biochemistry) from Tanta University, Tanta, Egypt. The thesis was entitled "A Biochemical study on the effect of L-carnitine and pyruvate on body weight, fat and carbohydrate metabolism and mitochondrial activity of obese rats."

3) 1997: Bachelor of pharmaceutical sciences (Very good with honor).

Experience:

1998-2005: Instructor of biochemistry, Faculty of pharmacy, Tanta University, Tanta, Egypt.

2005-2011: Assistant lecturer of Biochemistry, Faculty of pharmacy, Tanta University, Tanta, Egypt.

6/2011: Lecturer of Biochemistry, Faculty of pharmacy, Tanta University, Tanta, Egypt.

2/2014: Assistant Professor of Biochemistry, College of Pharmacy, UOH, KSA

Courses:

- Biochemistry course for 2nd year pharmacy-Tanta University.
- Clinical biochemistry course for 3rd year pharmacy-Faculty of pharmacy - Tanta University.
- Biophysical course for prepharmacy-Tanta University
- Bioanalysis course for pharmacy D Degree-Tanta University.
- Forensic chemistry course for postgraduate student (Master degree in pharmaceutical sciences, Biochemistry)-Faculty of pharmacy -Tanta University.
- Biochemistry course for postgraduate student (Master degree in Pharmaceutical sciences, Biochemistry) -Faculty of pharmacy -Tanta University.

Thesis and Dissertation Supervision:

Student Name	Dept.	Deg.	Thesis Title	Start Date	End Date
Shereen Eltokhy	Biochemistry	MSc	Kidney injury molecule-1 in type II diabetic patients with and without nephropathy	1/2012	
Nahla Abd El Kader	Biochemistry	MSc	Adrenomedullin as an early marker in type II diabetic patient with nephropathy	3/2012	
Hend Elsayed Mostafa	Biochemistry	MSc	Effect of Metformin and Ginger, as Add-on Therapy to Doxorubicin, in Experimentally Mammary Carcinoma	5/2013	
Omnia Hamada	Biochemistry	MSc	Role of Lycopin in experimentally induced acute pancreatitis in rats	10/2013	
Sammer Edway	Biochemistry	MSc	Role of PDI-type 5 in the treatment of experimentally acute ulcerative colitis in rats	11/2013	
Sara Anas	Biochemistry	MSc	<i>Glycyrrhizin</i> treating gentamicin induced nephrotoxicity in rats	11/2013	

Training Courses & Conferences:

1. Special program in computer training for graduate students (April/1999) - Faculty of Commerce - Tanta University-Tanta, Egypt.
2. Scientific research (October/2004)- Center of Development-Tanta-University-Tanta, Egypt.
3. Thinking (September/2004)- Center of Development -Tanta University-Tanta
4. Professional ethics of the career (November/2004)-Center of Development -Tanta University- Tanta, Egypt.
5. Skills of reactive show (December/2005)-Center of Development-Tanta University- Tanta, Egypt.
6. Skills of reactive communication (January/2006)-Center of Development-Tanta University- Tanta.
7. Teaching for big numbers and smaller teaching (April-2006)-Center of Development -Tanta University- Tanta.
8. Teaching with technology (June/2006)-Center of Development –Tanta University-Tanta.
9. Management of time and work stresses (July/2006)-Center of Development -Tanta University- Tanta.
10. New ways for teaching (June/2007)-Center of Development-Tanta University-Tanta
11. English course (March-May/2006)- Faculty of Education-Tanta University-Tanta
12. Computer course (April/2007)-Faculty of Commerce-Tanta University-Tanta
13. Laboratory performance and quality assurance course(April/2007)- Medical technology center-Alexandria University-Alexandria
14. Attendance of ^{1st} international conference for enhancing scientific research: New Horizons (2008) - Tanta University-Tanta.
15. Attendance of ^{2nd} international conference for enhancing scientific research: innovation and development (March/2009)-Tanta University-Tanta.

16. Investigator training program in clinical trials (ICH-GCP over view workshop for investigators) (July/2009) by Pfizer Company-Faculty of medicine-Tanta University-Tanta.
17. Attendance and organization of 1stinternational pharmaceutical sciences conference (18-19thNovember/2009)-Faculty of Pharmacy-Tanta University-Tanta.
18. Course of basic techniques in cell culture and stem cell (27-29thMarch/2012)-Medical research institute-Alexandria University-Alexandria.
19. Attendance of Sharkia cancer conference, updates in hepatocellular carcinoma (26th April 2012)-Faculty of medicine, Zagazig University, Sharkia, Egypt.
20. International workshop of computational molecular modeling & drug discovery (July/2012) - Faculty of Pharmacy – Mansoura University-Egypt,
21. Workshop on how to write TEMPUS project (10th December 2012)-Faculty of medicine –Tanta University, Tanta, Egypt.
22. Workshop on Proposal writing Post Docs (16thDecember/2012) - DAAD Cairo Academy-Center of Development-Tanta University- Tanta, Egypt.
23. Workshop on Safety and occupational health programs (23-27th December 2012)-Faculty of pharmacy- Tanta University-Tanta, Egypt.
24. Workshop on advanced preparation of noble metal Nanoparticles and visualizing by transmission electron microscope workshop (3rd-4thMarch/2013) Medical Research Institute-Alexandria University- Alexandria.
25. Workshop on basic protein electrophoresis techniques in protein research (6-7thMarch/2013) Medical Research Institute-Alexandria University- Alexandria.
26. Workshop on how to write exams and evaluate students (10thMarch/2013)-Center of Development-Tanta University- Tanta, Egypt.
27. Workshop on how to evaluate exams and educational outcomes (13th March/2013)-Center of Development-Tanta University- Tanta, Egypt.
28. Attendance of 1st Annual conference in conjunction with Egyptian ophthalmological society (25th April /2013)-Tanta Ophthalmology Hospital-Tanta, Egypt.

29. Workshop on how to write annual report of the programs and course reports (17th June /2013)-Center of Development-Tanta University- Tanta.
30. Workshop on how to design your PCR primers (2nd September, 2013)-faculty of medicine- Tanta University- Tanta, Egypt.
31. Course of skills of communication in different types of Education (10-11th November /2013) -Center of Development-Tanta University- Tanta, Egypt.
32. Course of University administration (8-11th January2014) - Center of Development-Tanta University- Tanta, Egypt.
33. Seminar on thermo-molecular spectroscopy on FTIR-UV-VIS, XRF and NMR- (10th February-2014) Hail-Kingdom Saudi Arabia.
34. Workshop on how to prepare course file (course specifications and course report)-deanship of quality and development-UOH-KSA-3rd April- 2014
35. Workshop on Quality and Academic Acceptance of Saudi Universities-deanship of quality and development- University of Hail (UOH)-KSA-6th April-2014
36. Workshop on Academic Standards-deanship of quality and development- University of Hail (UOH)-KSA-8th April-2014
37. Workshop on self-study and programs evaluation-deanship of quality and development-UOH-KSA-22th October-2014
38. Training course on the skills of reactive communication- University of Hail (UOH)- KSA- 27th - 28th October-2014
39. Workshop on Performance Indicators-deanship of quality and development- University of Hail (UOH)-KSA-30th October-2014
40. Training course on Total quality management-deanship of quality and development- University of Hail (UOH)-KSA-4th November-2014
41. Training course on how to organize conferences- University of Hail (UOH)-KSA- 11th November-2014
42. Training course on Blackboard applications- University of Hail (UOH)-KSA-11th - 25th November-2014
43. Workshop on Strategic Planning In Saudi Universities According to Knowledge Society Requirements- deanship of quality and development- University of Hail (UOH)-KSA-9th December-2014.
