

Gehad Salah Mohamed Ahmedy

Teaching Assistant of Pharmacognosy

Faculty of Pharmacy, Tanta University, Egypt

Email: ghad_salah@pharm.tanta.edu.eg | Mobile: 01111496566

PROFESSIONAL PROFILE

Teaching Assistant of Pharmacognosy at the Faculty of Pharmacy, Tanta University, with academic and research experience in pharmacognosy, phytochemical investigation, and biological evaluation of medicinal plants. Holds an M.Sc. in Pharmacognosy with research focused on the comparative phytochemical and biological investigation of *Vitis vinifera* L. leaf varieties cultivated in Egypt. Currently pursuing a Ph.D. investigating the phytochemical and biological properties of selected Arecaceae species cultivated in Egypt.

ACADEMIC APPOINTMENTS

Teaching Assistant of Pharmacognosy — Faculty of Pharmacy, Tanta University, Egypt	Jan 2025 – Present
Demonstrator of Pharmacognosy — Faculty of Pharmacy, Tanta University, Egypt	Jan 2020 – Jan 2025

EDUCATION

- **Ph.D. in Pharmacognosy** | Faculty of Pharmacy, Tanta University, Egypt In Progress
Research Title: Phytochemical and Biological Investigations of the Leaves of *Roystonea oleracea* (Jacq.) O. F. Cook and *Rhapis excelsa* (Thunb.) A. Henry of Family Arecaceae Cultivated in Egypt.
 - **M.Sc. in Pharmaceutical Sciences (Pharmacognosy)** | Faculty of Pharmacy, Tanta University, Egypt 2024
Thesis Title: A Comparative Phytochemical and Biological Study of *Vitis vinifera* L. Leaves Varieties: King Ruby, Crimson and Thompson Cultivated in Egypt.
 - **Bachelor of Pharmaceutical Sciences** | Faculty of Pharmacy, Tanta University, Egypt 2018
-

SELECTED PUBLICATIONS

- Phytochemicals of *Vitis vinifera* L. var. King Ruby protect mice from benzo(a)pyrene-induced lung injury.
DOI: [10.1038/s41598-025-86173-x](https://doi.org/10.1038/s41598-025-86173-x)
 - A Comparative Study of Cytotoxic Effect in Three *Vitis vinifera* L. Varieties: King Ruby, Thompson and Crimson Against A-549 Lung Cancer Cell Line.
DOI: [10.21608/jampr.2024.325567.1081](https://doi.org/10.21608/jampr.2024.325567.1081)
